INTERNSHIPS

Web Development

Rejolt EdTech, Virtual

Oct 2022 - Nov 2022

I did my internship in web development domain. I was experienced and learnt the languages (html, CSS, javascript) used to do the front end framework of web applications.

POSITIONS OF RESPONSIBILITY

I am class leader at school in my 9th and 10th standard. I am active and enthusiastic in participating college events like hackathons. I learn importance of team work by doing some of the projects in courses that are in curriculum of college.
